THE "Evangelical Alliance" of Cincinnati has "indorsed" the candidacy of Hon. M. E. INGALLS for Mayor; but if Mr. INGALLS wants the office he will find that votes are more effective than resolutions.

At a meeting of delegates representing the various labor organizations in the Central Trades and Labor Union held at St. Louis Sunday, one of the most sensational resolutions ever passed by any organization of its kind was adopted regarding the recent injunction issued against the leaders of the Wabash Railway employees.

After discussing the matter thoroughly the delegates adopted resolutions pledging themselves to resist the "tyrannical orders" of such men as Judge ADAMS of St. Louis and Judge KELLAR of West Virginia by all lawful means, and also forthwith to ask President ROOSEVELT to cause an investigation to ascertain if Judge ADAMS is a "madman or a despot;" also to ask all labor organizations of the country to use their political rights and powers in the interest of organized labor. It was further resolved to ask President ROOSEVELT to take immediate steps for the protection of the people.

The next National Convention of the W. C. T. U. will be held in Cincinnati November 13th to 18th.

Mrs. John Churchill, member of a prominent family, was found dead in bed at her home in Louisville.

Over a score were killed and a large number were injured by the explosion of oil in the tank cars of a freight train on the Erie Railroad near Orleans, N. Y.

New York society women, including Mrs. John Jacob Astor, are organizing a club which will have no male employees, elevators even being run by girls.

Dense fog in New York harbor Sunday caused the big transfer steamer Express to sink the canal boat Lyman Willie and collide with the steamer Rhode Island.

COMFORTING WORDS

Many a Maysville Household Will Find Them So.

To have the pains and aches of a bad back removed; to be entirely free from annoying, dangerous urinary disorders, is enough to make any kidney sufferer grateful. To tell how this great change can be brought about will prove comforting words to hundreds of Maysville readers.

Mr. M. L. Spencer, grocer of Forest avenue, says:

"For many years I was greatly troubled from the lack of proper action of the kidneys. I feared the incipient stage of diabetes, and learning about Doan's Kidney Pills, sold at J. James Wood & Son's Drugstore, I procured a box. The benefit derived from its use warranted me continuing the treatment. The results obtained in the cases of others I know as well as in my own is a guarantee of the great value of Doan's Kidney Pills."

For sale by all dealers. Price 50c. Mailed by FOSTER-MILBURN CO., Buffalo, N. Y. Sole Agents for the United States. Remember the name—DOAN'S—and take no substitute.

MURPHY, The Jeweler.

KENTUCKY has company anyway, even if she did have to go all the way to Montana to find it. The Legislature of that state has adjourned without making an appropriation for an exhibit at the Louisiana Purchase Exposition.

THE House Committee on Rivers and Harbors is arranging a trip to inspect the Ohio river in view of the proposed survey for a 9-foot channel from Pittsburgh to the mouth of the Ohio. The Committee hope to be able to leave Washington in April and go to Pittsburgh and thence down the Ohio to the Mississippi and then North to the headwaters of that river.

Political Pickings

THE GOVERNOR'S ELIGIBILITY.

Louisville Evening Post.

Judge Cantrill decided that Governor Beckham is eligible to succeed himself, and this decision is, in our judgment, in accordance with the law. Governor Buckner made one point which had great force in it. He said Governor Beckham was in the place of one litigant who succeeds to the rights of another litigant pending a suit, and that the decision carried his title back to the beginning of the term.

The difficulty here is that the "decision," so-called, of the bogus legislative session was entered on the bogus journal prior to the death of Senator Goebel. It carried his title back to the beginning of the term, and, therefore, Mr. Goebel would not have been eligible to a second term.

Mr. Beckham did not take the place of a litigant. The bogus legislative journal had recorded a bogus vote, by which the Legislature declared Senator Goebel Governor and Mr. Beckham Lieutenant-Governor, the people to the contrary notwithstanding. It was, therefore, as Lieutenant-Governor that Mr. Beckham served as acting Governor until elected in 1900 to fill out the balance of the term.

time required and like an over-driven horse it balks. The reason for this lies in the close nerve relationship existing between the brain and stomach. Nature intended the stomach to have regular hours—a time to work, a time to rest—and when you break up this habit you upset the whole arrangement. The stomach nerves become exhausted, the glands refuse to act, the food does not digest—lies heavy, ferments and repeats; there is pain, gas forms, bloating occurs, the heart becomes irregular and a nervous, irritable feeling sets in. This is nervous dyspepsia, and Dr. A. W. Chase's Nerve Pills its cure.

BEWARE OF IMITATIONS—Signature and Portrait of Dr. A. W. Chase on each box of the genuine. For sale by dealers, 50c a box, or Dr. A. W. Chase Medicine Co., 257 Washington street, Buffalo, N. Y.

Mrs. James H. Titus of No. 107 Clinton street, Warren, Pa., says:

"Dr. A. W. Chase's Nerve Pills are just splendid. My stomach bothered me for twelve years, food digesting slowly, heavy after eating. I was fearfully dizzy by spells and very nervous. I tried everything—other medicines, doctors, anything I was told to—but the Nerve Pills I got settled all this. They cured me. I feel well in every way today—no weakness or dizziness and digestion splendid. I have been and will continue to recommend them strongly, as I believe the medicine to be unequalled in its ability to cure such troubles, as it certainly acts like magic with me."

Mrs. F. Koehl of No. 248 South Main street, St. Mary's, O., says:

"Dr. A. W. Chase's Nerve Pills I got are excellent in nervous dyspepsia. They make a weak stomach strong, increase its digestive powers and enable it to handle food with ease and in this way do away with all distress after eating. The nervousness that comes with these attacks is also cured by the tonic and strengthening effects of the medicine on the nerves. I have no hesitancy in commending the medicine strongly to others, as I believe it to be all that is claimed for it and a little more."

Oliver

Gave to the world the Chilled Plow. The magical word Oliver is a guarantee of quality.

Mr. Oliver still controls the chilling process that has made the Oliver Plows so famous. Every genuine Oliver Plow Point or other repair has Mr. Oliver's name stamped upon it, and this name certifies that that piece is double chilled and will scour free and last

almost twice as long as a part chilled in the imitation way. Notice one peculiarity of an Oliver Plow: Note this well, for it means much to you—An Oliver Plow also includes the Cutter. When you put on an Oliver Point you have an entire new cutting surface; you virtually have a new plow. Upon other plows the point and cutter are separate, and you have to buy two parts at double the expense to secure a new cutting surface. Remember this, please: Oliver parts all fit nicely. An Oliver Point fits just as nice as the first one that was put on the plow. Oliver Mouldboards, Standards, Landsides all fit; your Oliver Plow works just as nicely when it is ten years old as it did the first year. We ask you to candidly say if this is the case with any other plow on earth. When you spend your money get all you can for it. The most value that a man gets in anything is an Oliver Plow. Oliver Plows are absolutely guaranteed.
